Dear Tour Operator,

Welcome to the heart and soul of Memphis and the #1 tourist attraction in the State of Tennessee - Beale Street. We are proud to be a part of this historical street which is rich in history and tradition.

I'm also proud to introduce you to the best of Memphis' local dining and entertainment: Alfred's on Beale, Automatic Slim's, Dyers on Beale, UBEE'S, and our full-service catering company Catering for U. We are professional experts in great food, great music, and exceptional service. Our group of restaurants would like to show ya'll what southern hospitality is all about!

Alfred's on Beale opened in April 1986, becoming the first club on Beale Street to showcase Rock'N'Roll music. Memphis is "Home of the Blues and the Birthplace of Rock'N'Roll" and we keep that tradition alive by featuring a wide variety of music including dance bands, acoustic bands, solo artists, even karaoke. We also have the only double-deck patio overlooking Beale Street which has been featured in *Cosmopolitan Magazine* as one of the best places in Memphis for people watching.

Dyer's Burgers was opened by the late Elmer "Doc" Dyer in 1912 who developed a secret cooking process for the uniquely delicious world famous burgers we still serve here today on Beale Street. Legend has it that the "secret" was Doc Dyer's ageless cooking grease. This famous grease, strained daily, has continued to produce our juicy Dyer's Burgers for almost a century now. One of Doc's original employees, Mr. Kahn Aaron bought the establishment in 1935 and continued the Dyer's name and tradition of making famous burgers.

Automatic Slim's is one of downtown Memphis' most established and recognized restaurants. Opened in 1991, it has become a downtown tradition. The décor and menu are funky and eclectic. Slim's has seen a true rebirth of the downtown area and has withstood the test of time. If only these walls could talk!

UBEE'S is located close to the University of Memphis and is a local favorite for delivery and catching any sporting event with friends. There are 52" HiDef big screens throughout the venue, making it a fan favorite for any Tiger event.

All of our establishments would love to host your group of any size, from 20-600. As an added convenience, feel free to choose from one of our package offerings, or allow us to create a special package tailored to your group. Please contact us at 901.528.1748 for more information.

We look forward to exceeding your expectations!

It is my pleasure to recommend working with Alfred's on Beale. We have been working with Alfred's on Beale for several years, and it has been smooth sailing. They understand the FIT process and accepts our vouchers with no problems.

If you are looking for restaurants in Memphis, I would recommend speaking with Alfred's on Beale.
